5 Lies that Keep you from Dreaming:

1. I can barely keep my own life in order, what do I have to share with the world?

2. I don't have any special gifts or talents

3. What do I have to offer that hasn't already been offered better than I could ever manage?

4. The mistakes of my past make me feel unqualified to dream big dreams.

5. I had a dream—once. It seems like I am always messing things up. I have failed at making my dreams come true before why should I try again?

5 Pathways to an Unstuck Dream!

1. *PRAY!* Ask God to show you His Dream for your life.

2. *TRUST!* Put Your Faith in Him to show you—Think Faith, Speak Faith, Wait for His response.

3. *LOVE!* Let your love and faith in God be revealed in your love for God. Let you love pour out on Him in prayer, praise and worship! Privately—just you and Jesus!

4. *LISTEN!* When you ask, God will speak—wait and listen.

5. *STEP OUT!* Watch for where God is working in your dream area and join it! Volunteer! Study! Take action towards what God is stirring in you. Be humble. Serve.
